

ROAD TRAFFIC SAFETY POLICY

TERNA SA is committed:

- ☞ To comply with the applicable legal and other requirements relevant to its activities.
- ☞ To meet regulatory requirements, procedures, and policies regarding Road Traffic Safety (RTS).
- ☞ For the continuous monitoring, as well as for the timely & adequate information of the involved staff around RTS issues.
- ☞ To ensure the necessary resources for the operation of the Road Traffic Safety Management System (RTSMS).
- ☞ For the selection of drivers and associates, properly trained, who meet all the requirements set by the company and the legislation.
- ☞ For the continuous training and development of human resources on RTS issues.
- ☞ For the use of appropriate, reliable, certified, and modern equipment.
- ☞ To recognize the risks and minimize their consequences to all its employees, by taking appropriate precautionary measures.
- ☞ To continually improve the suitability of RTSMS, in relation to the context within which it operates.
